COOKIES DEFI
CHARITY TOKEN

The Cookies token is a deflationary, automatic yield earning token that has a goal of regularly donating to various charities. We are focused on feeding the hungry, but will reach out into all different areas that need help. Donations are currently running with Binance Charity to feed hungry children in Africa.

ABOUT US

Cookies Token aims to be a strong, community driven charity cause. With rewarding tokemonics for all holders, we depend on community strength/transparency to reach our goals.

We have plans of being utilized for a new sector of Defi that will give rewards and benefits for holding and staking Cookies. We are excited to be able to give back to our community and to help charities around the world.

The world needs all the help it can get and we are proud to be able to give any assistance, this is the power of being a part of the Cookies community.

Under the Cookie Jar image, "Cookie Token" should be changed to "Cookies Token" on Q2, fix #1 is Liquidity spelling on 2nd line of 1st tab. fix #2 would be fix spelling for "Developer". Fix #3 is omit the < at the end of Q2.
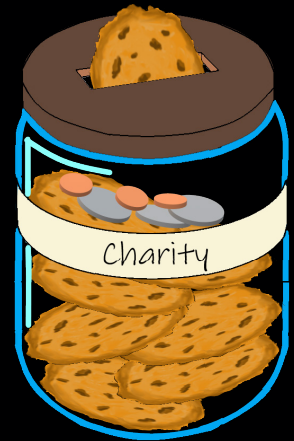

THE DEFI CHARITY COIN
